Immigration status not important / El estado de migratorio no es importante

- **Unable to Pay Healthcare Premiums:**

- Call your insurance provider and ask if they will defer your payments or, at the very least, delay terminating your coverage.
- If you are NOT receiving financial assistance to pay your premiums, you have a grace period under state law (usually 1 month).
 - If you ARE receiving financial assistance, you have a 3 month grace period for which coverage can NOT be terminated.
 - If your household income has changed, update your application immediately! You could qualify for more savings.
