

**Topic: Winter Holidays**

**Let's get started...**

Before you begin discussing today's topic, take a few moments to share a story about a special memory from your childhood. The memory could be about a holiday, birthday, family vacation, etc.

**New words and Idioms:**

Groundhog, legend, shadow, woodchuck, cupid, valentine, bouquet, affection, sweetheart, saint, custom, etc.

**Background:**

Groundhog's Day

In the US, many people look forward to Groundhog's Day which falls on February 2<sup>nd</sup>. According to popular legend, the groundhog wakes up from its winter sleep and emerges from its nest on February 2<sup>nd</sup>. If the groundhog sees its shadow, it will be frightened and will return to its nest. This means that there will be six more weeks of winter. If the groundhog doesn't see its shadow, then popular legend says that we will have an early spring.

Try repeating this tongue twister for fun:

How much wood could a woodchuck chuck if a woodchuck could chuck wood?  
(How much wood could a groundhog chew if a groundhog could chew wood?)

Valentine's Day

Every February 14<sup>th</sup>, candy, flowers, cards and gifts are exchanged between loved ones, all in the name of St. Valentine. But who is this mysterious saint, and why do we celebrate this holiday? The history of Valentine's Day -- and its patron saint -- is a mystery. But we do know that February has been a month of romance for a long time.

President's Day

This year President's Day is on February 20<sup>th</sup>. President's Day is a holiday that was created to honor two very important presidents in American history: George Washington and Abraham Lincoln. George Washington became the first president after he worked hard and fought to help the United States become a free and independent country. Abraham Lincoln was the 16<sup>th</sup> president and is famous for abolishing slavery. All government offices and schools are closed on President's Day.

**In pairs for 5 minutes, ask and answer these questions:**

If you could create a new holiday in your original country, what would you celebrate? Why?

What foods would you eat? Why?

**Share your partner's answers with the group.**
