is it **if it's** whether is it a good idea. First of all, she's never been to France, and

she has no idea **how** **how does** **if**²¹ the food tastes. Second, she used to have friends

in Paris, but she isn't sure **where do** **where** **whether**²² they live now. And finally,

Marianne can't speak French at all, and she doesn't have any idea

who will she **if she'll** **who she'll**²³ be able to communicate with.

On the other hand, everybody thinks Marianne should definitely go to France this fall

because she doesn't know **when she'll** **when will she** **whether will she**²⁴ have the

chance to go again, and she really doesn't have enough good reasons

why shouldn't she **if she shouldn't** **why she shouldn't**²⁵ go.
